

# *Living the Resurrection*

## MCCC Lent 2021

*After Jesus lived, died, and rose again he would leave behind his disciples to carry on his transforming work in the world. He would call all his disciples to a ministry of care, servanthood, new life, and love--each one called to live out the resurrection story. Jesus taught many lessons and this year we will glean from our lectionary readings just some of them: Compassion, Repentance, Reach, Equity, and Transformation. God bless you in this season of reflection, repentance, deepening our relationship with Christ, and learning to Live the Resurrection.*

In addition to "giving something up for Lent," consider...

*Giving to Kids Weekend Meals or the Week of Compassion*

*Fasting from excess television or social media*

*Refraining from purchasing items you don't need...*

*Other ideas???*

Daily Devotional (given at Ash Wed or check with pastor): *"Leaning In, Letting Go" by Nicole Martin*

Tuesday Book Study: *"Julian of Norwich: Wisdom in a Time of Pandemic--and Beyond"*
