

# Come back to Church in the building!

After fifteen months away,  
Mantua Center Christian Church  
is back in the building

## Sunday, July 4

Come celebrate our nation's independence  
and our congregation's independence  
from COVID-19!

*We want you to be comfortable in church*

- ★ Masks are welcome, but not required
- ★ Wave, give a high-five or a fist bump or a handshake or a hug, as you prefer
- ★ No trays will pass, take a communion cup as you enter, deposit any offering as you exit

*Please get vaccinated, if not already  
so we can all be safe together!*

The service will always be available on YouTube Live if you are not yet comfortable coming into the building.
