### **Pastor's Report**

While Chad is on a Faith Retreat in Vermont, his report was shared and is attached.

### **Smile Team – Becky Tipton**

The Smile Team recently took cookies and water to the construction crews working on the roundabout at 82 & Chamberlain, just to let them know they're appreciated by the community. The group is also working on a bake sale to coincide with the upcoming Holiday Craft Show.

### **Treasurer & Finance Update – Liz Meeker & Dave Auble**

The Stewardship/Finance Committee is meeting this week with Treasurer Liz Meeker to plan our 2021 Fall Pledge Drive. Following that, they'll be working on the 2022 Budget.

We're close to where we expected to be in our finances so far this year. Overall, Liz said we're about \$8,000 off our projected budget numbers as of the end of September.

### **Worship Team Update – Pam Auble**

Pam said the Worship Team, along with the help of Carol Magyarics and Jon Secaur, are looking at opportunities to provide an audio and video link in the Fellowship Hall in case we have overflow in the sanctuary while seating is limited.

### **Elders' Update – Co-Chair Liz Meeker**

The Elders are planning to reach out to those on their Shepherding Lists and bring them muffins.

### **Kids Weekend Meals Update – Liz Meeker**

Unlike last year, KWM will not be able to get free food from the local Food Bank for this current school year. As that will mean a lot more funding is needed, KWM will be holding an "Adopt a Kid" fundraiser before the end of the year.
