

MCCC Board Minutes
March 20, 2022 -- 12:00 noon via Zoom

In attendance were: Jon Secaur, Linda Idoine, Chad Delaney, Sandi Kossick, Liz & Paul Meeker, Morris Pengilly, Carol Magyarics, Pat Hoskin, Nora Brant, Rick Painley, Steve Hurd and Becky Tipton.

The meeting began with prayer.

- Liz submitted the Treasurer's Report indicating that we are still on track for 2022.
- Chad recognized Ally Bozeka and all the leadership she has brought to the children of MCCC over the past 6 years. We are planning a celebration for her on April 3rd following worship. Chad has increased his home and hospital visitations and has had his first meeting with the General Board of the Christian Church who he was appointed to this year. He has recently agreed to also be a Chi-Rho Camp Counselor this year.
- Paul Meeker presented the Trustees Report which includes the following: 1) CJ is still continuing his work on the Fellowship Hall for his Eagle Scout project. Paint has been purchased so it should be completed within the next few weeks. 2) Fire Extinguishers have all been inspected and passed 3) Paul is recommending getting 2-3 decent size First Aid Kits to have in the church 4) We purchased new protective carpets for the 3 locations of the church entrances, and 5) There is a leak in the lower women's bathroom – possibly water seepage from the foundation that will need to be fixed.
- Becky Tipton noted that the Smile Team recently provided some pastries for our newly opened coffee hour on March 6th. The team is considering the possibility of repeating this again in the future. The Smile Team is also planning an Easter Egg Hunt on Sunday, April 10th for all the kids.
- Re: Kids Weekend Meals, Liz noted that she has 15 openings for extra children or seniors who need might need help. She has currently received 3 requests for seniors.
- Rick Painley, based on his recent survey to parents, will be working on gathering a team of individuals who might be interested in helping with re-starting Sunday School programs for all age groups. We are also in need of a Director of this program.
- We recognized with appreciation a gift from Morris Pengilly for a Hearing Assist system in the sanctuary. It will be operational before Easter.

NEW BUSINESS:

- Chad, after speaking with Audrey Jackson, indicated we still have Xplor money left which needs to be allocated somewhere to avoid paying banking fees. He will meet with others to see how it should best be allocated, and Liz will follow up with Audrey.
- Jon noted that we consider having a "Pot Luck" when CJ's work is completed in the Fellowship Hall.

Due to Easter, our next meeting will be April 24, 2022.

Respectfully Submitted,
Sandi Kossick, Secretary
