

CHI-RHO/CYF UPDATED EVENTS!

Your youth group leaders are planning some great events and we want to keep you updated.

Our next event will be Polar Blast Tubing at Boston Mills on Sunday, January 29th! **IMPORTANT: RSVP as soon as possible so I know how many tickets to buy. They do accept walk-ups but it is best to reserve spots. Give me an estimate asap!**

Stay tuned to your email as plans/times can shift depending on availability. Thank you for your flexibility!

WHAT: Polar Blast Tubing. Yes, it's fun and no you don't have to walk back up the hill. :)

WHEN: Sun, Jan 29th -- Meet at church for **Car Pool at 2:15pm** or meet us at **Boston Mills at 2:45p**. We will do **tubing from 3:00-5:00pm**. If carpooling back to the church we will be back around 6-6:15pm.

WHERE: Polar Blast Tubing - 1146 W Highland Rd, Northfield, OH 44067

COST: \$15/person. Normally tubing costs *\$32/person*, but we are going to use some of our Youth Group funds that have been saved up to bring the price down for Chi-Rho/CYFers. If parents are there to chaperone we will offer this discount for them too! This is a great deal but if it is a problem for you or a friend, let us know! Please bring **xtra \$\$** to buy snacks if desired.

What to Bring: Of course, dress appropriately/warmly, bring some extra cash for snacks, and...**invite a friend!** The tubes and hill are provided. :)

If you have questions, please contact me (Pastor Chad)!
