Since the first camps in 1950, Camp Christian has grown from a rustic summer camp facility to be the **Christian Church in Ohio Regional Ministry Center**. Today, the Ministry Center serves as home to the regional church office and provides space to host retreats, conferences, regional meetings, and more, in addition to our summer camp programs.

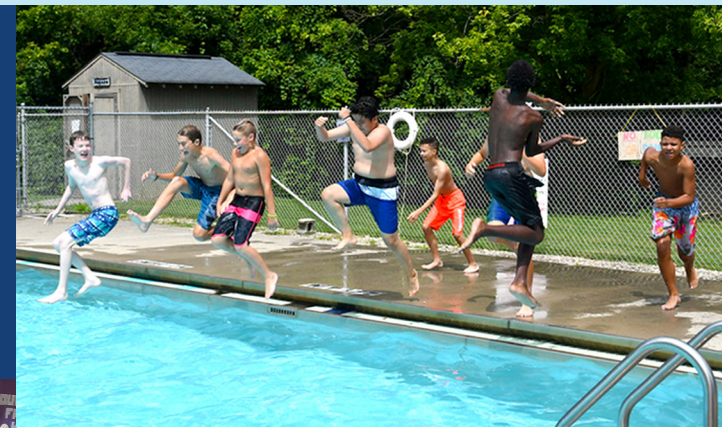

In this 75th anniversary year, the Christian Church (Disciples of Christ) in Ohio and Camp Christian have come to a crossroads. To meet the needs of growing summer camp programs and a plan to replace the 60+ year old pools has been proposed. Additionally to increase support for Ohio Disciple congregations, the Christian Church in Ohio has an urgent need for seed money for additional ministry staff.

Then I heard the voice of the Lord saying, “Whom shall I send, and who will go for us?” And I said, “Here am I; send me!”

- (Isaiah 6:8)

The Regional Church is now on the precipice of new and expanding ministries following staff transitions and the COVID-19 pandemic. Our dynamic staff, Rev. Allen V. Harris and Jennie Stoddart Bernard, alongside the volunteer regional elders work tirelessly to keep the church moving forward. Yet, this team needs to expand. Adding additional staff will enable the church to support **year-round programming** at Camp Christian, **support volunteer summer camp directors**, and help **local congregations strengthen their ministries** and explore new ministry opportunities.

Summer church camps are now more important than ever for children and youth with fewer Christian formation opportunities. As a result of this campaign, a new swimming pool will once again become the focus of afternoon free time activities, and regional staff will have the ability to support growing interest in our camp facilities. With the proposed facility updates and a new pool, this will **enhance the Camp Christian summer experience** for families who face a multitude of summer camp opportunities for their children. Enticing campers to return year after year.
